16. (Internal Use Only - JGO) Talked to Mr. Paul Goulding, Administrative Aide to Senator Claiborne Pell (D., R.I.), who apologized for missing contact with me during the last week. I told Mr. Goulding that our people had met with Mr. Wood on the 15th of October. Mr. Goulding thanked me for the follow-up. See Journal of 13 October 1971.

17. (Unclassified - PLC) Jane Pavlic, in the office of Representative Guy Vander Jagt (R., Mich.), called concerning a call they received from their regional office in Luddington, Michigan. A constituent, a girl of nineteen who is seriously involved in the study of witchcraft, had received an official looking letter from CIA signed by Mr. Helms. The letter expressed an interest in the constituent's study of witchcraft and invited her to a regional witchcraft conference. The girl was very much concerned and wanted to verify the authenticity of the letter since she claimed few people know of her interest. Miss Pavlic did not know the name of the girl or any other details. I informed Miss Pavlic that the letter was undoubtedly a hoax and if they desired to look into the matter further, we would be pleased to offer assistance. [redacted] ORD/DDS&T, [redacted] was advised of the call. STATINTL

18. (Internal Use Only - LLM) At the request of [redacted] CI Staff, called Robert Horner, Chief Investigator, House Internal Security Committee, to determine the availability of the testimony of Mr. and Mrs. [redacted] concerning the "Revolutionary Union." Mr. Horner was cooperative as usual, offered to make available to us the material in possession of the Committee, and said the printed version of the testimony will be available in about one month. [redacted] said he would wait for the printed version but would appreciate receiving a copy of a document Horner offered to us which summarizes the major areas to be covered by the [redacted] in their testimony before the Committee, and I will pick this document up.
